FABII PASSIVE INCOME

Fabii is offering passive income to all pro members through reverse compounding. Reverse compounding is very unique way of paying back and fabii has the edge of first mover advantage in reverse compounding.

FABII REVERSE COMPOUNDING

Through reverse compounding, fabii provides all of its pro members with passive income. Reverse compounding is a very distinctive method of repayment, and fabii has the first mover advantage in this type of repayment.

EXAMPLE:

Deposited $\$1000 * 5 = \5000 into locked vault.
 $\$5000 * 0.045\% = \2.25 daily
 $\$2.25 * 30 = \67.5 monthly on your \$1000 deposit if we calculates it simply then its 6.75% to 8.25% per month is paid by fabii

FABII TEAM DEPOSIT COMMISSION

Anyone can join the pro club by making a deposit of any amount between \$50 and \$100,000. You will receive 8% of the initial deposit from your Whole network, followed by 4% at level 2, 2% at level 3, 1% at level 4, and the 0.5% on each level from Level 5 to level 10. All levels must be unlocked by upgrading your deposit. It will be demonstrated in the next slide.

FABII 10 LEVELS INCOME BREAK DOWN

LEVEL NO.	PERCENTAGE
LEVEL 1	8%
LEVEL 2	4%
LEVEL 3	2%
LEVEL 4	1%
LEVEL 5	0.5%
LEVEL 6	0.5%
LEVEL 7 to 10	0.5%

FABII RESIDUAL PROFIT SHARING

Residual profit sharing is a different dynamic revenue source that fabii makes available to its users. you receive this profit share from the first to the tenth generations with the same percentage, just like the team deposit bonus. However, it keeps flowing because the business is paying you from the daily profit of your team's earnings up to level ten. although all levels are locked, they can be unlocked by meeting two straightforward conditions.

LEVEL NO.	PERCENTAGE	OWN DEPOSIT	DIRECT SALE
One	8%	\$100	+\$2500
Two	4%	\$200	+\$2500
Three	2%	\$300	+\$2500
Four	1%	\$400	+\$2500
Five to Ten	0.5% each level	Add \$100 for each level	+\$2500 additional for each level
